

Panel Discussion

Technology Drivers for the Future

Panel Members

- **Ms. Renata Price (Panel Chair), HQ Army Materiel Command**
- **Mr. Donald Barker, Deputy PEO, Army Tactical Missiles**
- **BG James Feigley, Cdr, Marine Corps System Command**
- **Mrs. Mary Lacey, Dir, Naval Surf. Warfare Ctr, Indian Head**
- **BG Michael Lenaers, Cdr, Army TACOM-ARDEC**
- **COL Thomas Masiello, Dir, Munitions Directorate, AFRL**

Discussion Objective

Develop a better understanding of how technology will drive armament and munitions as each service transitions or transforms itself to meet future threats.

Setting the Stage

- **Cold War over, future threats uncertain**
- **Transition and Transformation underway**
- **Armament & Munitions critical to success**
- **Technology is the enabler**
- **Service perspectives vary but complementary**
